

A comprehensive price list for mobile fiber optic junction boxes

Article Overview

Mobile fiber optic cable junction boxes typically range from \$20 to \$200 depending on capacity, material, and features.

Overview of Pricing

- o Amazon offers fiber optic wall mount boxes suitable for single-mode and multimode cables, with prices generally starting around \$20-\$50 for small LC 6-strand enclosures .
- o Alibaba lists wholesale fiber optic junction boxes with IP65 waterproof ratings and ABS/PC materials, with prices ranging from \$30 to \$150 per unit, depending on core capacity and customization options .
- o eBay features 12-core FTTH splitter boxes and other fiber junction boxes, with prices typically between \$25 and \$100, often including shipping .
- o Specialized manufacturers like Takfly provide 24-core fiber optic termination boxes with integrated splicing, splitting, and distribution, priced around \$80-\$200, depending on features such as anti-theft locks, IP65 protection, and wall/pole mountability .

Factors Affecting Price

- o Core Capacity: Boxes range from 2-core to 48-core or more; higher capacity increases cost.
- o Material and Durability: ABS, PC, or polyamide enclosures with IP65 or higher waterproof ratings are more expensive.
- o Features: Lockable covers, pre-installed adapters, splice trays, and splitter support add to the price.
- o Mounting Options: Wall-mounted, pole-mounted, or rack-mounted designs influence cost.
- o Brand and Supplier: OEM/ODM customization and brand reputation can affect pricing.

Practical Advice

- o For small-scale or indoor use, a basic 6-12 core LC/SC junction box is sufficient and cost-effective.
- o For outdoor or high-capacity applications, consider IP65-rated boxes with anti-theft locks and integrated splice trays, which may cost up to \$200.
- o Bulk orders from suppliers like Alibaba can reduce per-unit cost significantly. By considering these factors, you can select a fiber optic junction box that balances capacity, durability, and budget for your mobile or fixed network deployment .

Manage optical signal distribution effectively with Zarlec's Fiber Optic Junction Boxes, crucial for telecommunications and network
