

## Article Overview

B.R.A Manufacturing and Wenzhou JinAo Electric Co., Ltd. are key suppliers of secondary distribution boxes and related electrical components for Burundi.

## Local Manufacturers

B.R.A Manufacturing SURL is a leading Burundian company producing a wide range of plastic products, including rigid plastic packaging suitable for distribution boxes. They specialize in durable PVC, HDPE, and PPR products, which can be adapted for electrical distribution applications. Their products are designed for high durability, chemical resistance, and UV protection, making them suitable for secondary distribution box applications in various environments in Burundi .

## International Suppliers

Wenzhou JinAo Electric Co., Ltd. offers prefabricated panel boxes, small distribution boxes, and other electrical components. Their products comply with CE standards and are manufactured under an ISO 9001 quality management system, ensuring international safety and quality compliance. They can ship to Burundi, and delivery terms can be negotiated directly with the supplier .

## Trade Platforms and Directories

For broader sourcing, platforms like Volza provide access to over 6,775 verified Burundian exporters, including manufacturers of electrical and plastic products. This allows importers to identify reliable suppliers, view shipment histories, and connect with verified contacts for secondary distribution boxes . Additionally, Go4WorldBusiness lists bulk buyers and suppliers of plastic distribution box shells in Burundi, facilitating direct B2B connections .

## Summary

- o Local option: B.R.A Manufacturing SURL - plastic and rigid packaging suitable for distribution boxes .
  - o International option: Wenzhou JinAo Electric Co., Ltd. - prefabricated panel boxes and small distribution boxes with CE certification .
  - o Trade directories: Volza and Go4WorldBusiness for verified Burundian suppliers and bulk purchasing .
- These sources provide a starting point for sourcing secondary distribution boxes in Burundi, whether through local production or international suppliers.
