

Article Overview

MikroTik CI and Voomstore are leading suppliers of smart carrier-grade routers in Cote d'Ivoire, offering professional-grade equipment, technical support, and fast delivery.

MikroTik CI

MikroTik CI is an official distributor of MikroTik routers in Cote d'Ivoire, with a permanent stock in Abidjan and rapid delivery across the country . They provide routers suitable for enterprise and ISP deployments, including models like RB5009 and CCR2004, which support advanced routing protocols such as OSPF, VPN, and hotspot management. Their team offers technical assistance in French, including configuration support via phone or WhatsApp. Payment options include Mobile Money, Orange Money, Wave, Visa, or cash at the boutique.

Voomstore

Voomstore is a professional network equipment supplier in Abidjan, distributing major brands such as Cisco, TP-Link, Ubiquiti, MikroTik, D-Link, Netgear, Zyxel, and Huawei . They cater to SMEs, large enterprises, and institutions, offering a wide range of routers, switches, and SFP modules. Voomstore provides technical expertise, quality assurance, and competitive pricing, making it a reliable choice for carrier-grade network deployments. Contact is available via phone, WhatsApp, or email.

Robustel (Industrial IoT and 5G/4G Routers)

For industrial-grade and IoT applications, Robustel offers routers and gateways with 5G, 4G/LTE, dual SIM redundancy, rugged design, and wide protocol compatibility . Their devices are suitable for mission-critical deployments, including transportation, maritime, and remote monitoring systems. Robustel emphasizes cybersecurity, edge computing, and secure remote management, making it ideal for high-reliability networks.

Online Marketplaces

For smaller-scale or immediate needs, Jiji.co.ci lists routers for sale in Cote d'Ivoire, including Wi-Fi, LAN, enterprise, and 5G routers . While convenient, these listings may not provide the same level of technical support or warranty as official distributors.

Recommendation

For carrier-grade deployments, MikroTik CI and Voomstore are the most reliable suppliers due to their official

Compatible Smart Carrier-Grade Router Supplier in CÔte d'Ivoire

distribution, technical support, and fast delivery. For industrial or IoT-specific applications, consider Robustel for its rugged, high-performance routers. For smaller or consumer-grade setups, Jiji.co.ci can provide quick access to available models.
