Key Manufacturers

1. Carton Manufacturers Ltd Founded in 1979, Carton Manufacturers Ltd is a leading supplier of corrugated packaging solutions in Kenya. They operate multiple manufacturing and distribution sites nationwide, producing high-quality corrugated boxes and self-adhesive labels. The company emphasizes sustainability, cost-effective solutions, and compliance with ISO 9001 and FSC 22000 standards, ensuring reliable and safe packaging for various industries . 2. DPL Kenya Established in 1974, DPL Kenya specializes in a wide range of corrugated cartons and boxes. They are ISO 9001:2008 certified and focus on quality control and customer service. Their products include regular slotted cartons, flower cartons, die-cut cartons, and protective inserts, suitable for both general and specialized packaging needs . 3. KraftboxEA KraftboxEA offers custom, ready-made packaging boxes in Kenya, including slotted, interlocking, eco-friendly, and branded boxes. Their solutions are tailored for businesses requiring high-quality, customizable packaging options . 4. Statpack Ltd Statpack Ltd is a major player in packaging and consumer products, with over 400 employees in East Africa. They provide flexible packaging solutions, taping, coding, strapping, and food packaging solutions. Statpack is ISO 9001:2015 and BRCGS certified, ensuring high-quality standards for industrial and commercial packaging .

Considerations for Choosing a Manufacturer

- o Certifications: Look for ISO 9001, FSC 22000, or BRCGS certifications to ensure quality and compliance.
 - o Customization: Many manufacturers offer tailored solutions for specific product sizes, branding, or protective features.
 - o Sustainability: Companies like Carton Manufacturers Ltd integrate recycling and energy-efficient practices.
 - o Distribution Coverage: Choose manufacturers with nationwide distribution capabilities for timely delivery.
- These manufacturers provide a strong starting point for sourcing distribution boxes in Kenya, whether for electrical, industrial, or general packaging purposes.
