

Article Overview

Indonesia has a range of reputable exporters of corrugated and cardboard distribution boxes, including Indo Packaging, PT Satyamitra Kemas Lestari, Gemapack, Master Box, and Foopak.

Leading Exporters and Brands

Indo Packaging is a global supplier of corrugated packaging and cardboard boxes, offering custom solutions for various industries with over 15 years of export experience . PT Satyamitra Kemas Lestari, Tbk specializes in high-quality corrugated carton boxes for multinational companies, emphasizing reliable and innovative packaging solutions . Gemapack manufactures corrugated boxes with a focus on environmentally friendly materials and quality control, catering to both small and large orders . Master Box provides corrugated boxes with flexible order sizes, from small batches to large-scale production, ensuring high-quality specifications . Foopak, under Asia Pulp and Paper (APP) Indonesia, offers sustainable and food-safe paperboard packaging, including compostable options for food and beverage applications . Other notable exporters include Risepack, which specializes in custom box packaging with design and printing services, and PT Kosasih Indonesia, producing corrugated sheets and boxes tailored to client specifications .

Export Activity

According to recent data, Indonesia has 56 active suppliers of cardboard and corrugated boxes, exporting to over 59 global buyers. Major export contributors include LG Electronics and British American Tobacco Marketing Singapore, which together account for a significant share of shipments .

Key Considerations

When sourcing Indonesian distribution boxes for export:

- o Minimum order quantities (MOQ) may apply depending on container size and product specifications .
- o Customization is widely available, including printed designs, eco-friendly materials, and specialized packaging for different industries .
- o Sustainability is a growing focus, with many suppliers offering recyclable or compostable packaging solutions . These brands and suppliers provide a strong starting point for businesses looking to import high-quality distribution boxes from Indonesia.
