

Article Overview

Leading Italian manufacturers of equipment distribution boxes include ETA, IRINOX, ILINOX, EiQ, and GEWISS, offering high-quality, customizable enclosures for industrial and automation applications.

Key Italian Manufacturers

1. ETA S.p.A. Founded in 1978, ETA is a prominent Italian manufacturer of electrical enclosures and distribution boxes. They provide both standard and custom solutions for industrial automation, low-voltage energy distribution, and IT applications. Their product range includes E NUX, E MOX, E COMP, SI, ST boxes, and stainless steel enclosures suitable for outdoor and industrial use . 2. IRINOX Based in Conegliano, Italy, IRINOX specializes in premium stainless steel enclosures for industries such as food, pharmaceuticals, and industrial automation. They are known for Italian craftsmanship, hygienic design, and innovation, offering solutions that meet strict industry standards . 3. ILINOX ILINOX manufactures stainless steel enclosures designed for hygienic and explosion-proof applications, particularly in food, pharmaceutical, and chemical sectors. Their products are ATEX-certified and highly customizable, combining safety, compliance, and flexibility for demanding industrial environments . 4. EiQ Industrial Located in Schio (Vicenza), EiQ Industrial produces stainless steel enclosures and hygienic accessories with EHEDG-certified components. Their solutions are UL/IP66-rated and designed for food, beverage, and pharmaceutical industries, emphasizing hygiene and safety . 5. GEWISS GEWISS offers a complete line of junction boxes, distribution boards, and industrial power distribution systems. Their product range includes surface and flush-mounting enclosures, construction site distribution boards, and integrated systems for special applications, making them a market leader in Italy .

Additional Resources

For broader industrial equipment sourcing, the Italian Business Guide lists multiple Italian suppliers of stainless steel containers, industrial enclosures, and distribution boxes suitable for food, chemical, and automation industries. Companies like Sansone and Supermonte provide stainless steel storage and beverage containers, which may complement distribution box solutions in industrial setups .

Summary

Italy offers a strong network of high-quality, certified, and customizable equipment distribution box manufacturers. Depending on your industry needs--whether hygienic, explosion-proof, or general industrial automation--companies like ETA, IRINOX, ILINOX, EiQ, and GEWISS provide reliable solutions with global compliance and innovative design. For sourcing and partnerships, platforms like the Italian Business Guide can connect you directly with producers for custom or bulk orders .
