JLH Electric JLH Electric specializes in cable tray fitting accessories, including elbows, tees, crosses, bends, risers, reducers, covers, dividers, and support brackets. They provide custom fabrication, OEM/ODM services, and competitive factory pricing. Their accessories are made from galvanized steel, stainless steel, aluminum alloy, or FRP, ensuring durability and flexibility for various installations . 4. Cesco Limited Cesco Limited offers a range of mesh and wire cable trays and accessories, including Cablofil Electro Zinc Steel Wire trays. Pricing and product details are available online, and they provide local delivery options .

Ordering Tips

- o Identify your tray type and accessory needs: Determine whether you need ladder, basket, or solid-bottom trays and the corresponding fittings such as elbows, tees, reducers, or covers.
- o Request quotes: Most suppliers provide online forms or direct contact for quotations, including volume pricing and lead times.
- o Check for customization: If your project requires non-standard sizes or materials, inquire about custom fabrication options.
- o Confirm delivery and shipping: Ensure the supplier can deliver to your location in Jamaica and clarify shipping costs and timelines.
- o Compare pricing and quality: Evaluate multiple suppliers to balance cost, material quality, and service reliability. By contacting these suppliers directly, you can secure the necessary cable tray accessories for your project with options for customization, competitive pricing, and local support.
