

Article Overview

Groupe Kvpture is a key distributor of fiber distribution boxes in Mali, while MellaxTel offers international manufacturing and custom solutions.

Local Distributor in Mali

Groupe Kvpture is an official distributor of FOLAN fiber optic equipment in Mali, providing a wide range of passive components for fiber networks, data centers, and industrial applications . They support deployment of FTTH, FTTA, and FTTO networks and offer project assistance for innovative solutions like smart cities and data centers. Their services include supplying tools and technologies for installation and maintenance, ensuring professional deployment of fiber optic networks. Groupe Kvpture is based in Bamako, Mali, and can be contacted via local phone numbers for inquiries and orders .

International Manufacturer

MellaxTel, based in Ningbo, China, specializes in the R&D, manufacturing, and sales of fiber optic distribution boxes . They offer boxes ranging from 2 to 144 ports, suitable for indoor, outdoor, wall-mounted, and pole-mounted installations. MellaxTel provides custom solutions, including pre-installed or empty boxes, and in-house production of patch cords, pigtails, adapters, and splitters. Their products are certified with ISO9001, CE, and SGS, ensuring quality, safety, and environmental compliance. MellaxTel also offers free CAD design services and installation guidance, making them a reliable partner for large-scale or specialized fiber network projects .

Considerations for Choosing a Supplier

- o Certification and Quality: Ensure the supplier provides ISO or CE-certified products for reliability and safety.
- o Capacity and Features: Choose boxes based on fiber count, splitter integration, and environmental durability.
- o Support Services: Look for suppliers offering installation guidance, maintenance support, and customization options.
- o Local Availability: For faster delivery and local support, distributors like Groupe Kvpture in Mali are advantageous. By combining local distributors like Groupe Kvpture with international manufacturers such as MellaxTel, businesses in Mali can access high-quality fiber distribution boxes tailored to their network requirements.
