

Article Overview

Fireproof cable trays in Nigeria range from approximately ₦9,000 to ₦25,000 depending on size, material, and supplier.

Price Range and Options

- o PVC Fireproof Cable Trays: Combustion-proof PVC trays are lightweight, fire-resistant, and suitable for flexible installations. Prices are generally low-cost, offering significant savings compared to traditional metal trays, with sizes varying widely for different cable capacities .
- o Galvanized and Hot-Dip Galvanized Cable Trays: Nigerian-made galvanized trays, such as 300mm x 50mm by 2.5 meters, are designed for heavy-duty applications, corrosion resistance, and fire safety. Prices typically range from ₦15,000 to ₦25,000 per unit, depending on dimensions and thickness .
- o Industrial-Grade Metal Trays: Suppliers like Ned-Tech provide stainless steel, powder-coated, and pre-galvanized trays suitable for light, medium, and heavy-duty applications. These trays are tested for durability, fire resistance, and compliance with industrial standards .

Supplier Contacts

- o De-Great Tony Global Ent.: Offers high-quality cable trays starting at ₦9,000. Orders can be placed via call or WhatsApp for delivery in Lagos .
- o Ned-Tech Cable Tray Ltd: Manufacturer and wholesaler of fireproof and industrial-grade trays. Contact via 08061295622 or visit DD 72 Upstair St Peter's Bustop, Alaba Int'l Market, Ojo, Lagos .
- o Electrical.com.ng: Provides combustion-proof PVC trunking and cable trays with flexible installation options and fireproofing features .
- o ElectricMall.com.ng: Offers galvanized cable trays with patented designs for strength, safety, and easy installation .

Considerations

- o Prices vary based on material, size, and load capacity.
- o Confirm availability and exact pricing with suppliers before purchase, as external factors may affect costs .
- o Fireproof trays are recommended for industrial, commercial, and high-safety installations, ensuring compliance with safety standards and durability. For a precise quote, it is advisable to contact suppliers directly with your required tray dimensions, material preference, and quantity.
