

Recommended Stainless Steel Cable Trays in North Asia

Article Overview

Leading stainless steel cable tray manufacturers in North Asia include Shanghai Sintray Industries, Wuxi City Qiaobang, and ApexTray, known for high-quality, corrosion-resistant, and ISO-certified products.

Top Manufacturers in North Asia

1. Shanghai Sintray Industries Co., Ltd.

- o Specializes in durable, corrosion-resistant stainless steel cable trays suitable for telecommunications, construction, and industrial projects.

- o Products are designed to withstand harsh environments and comply with international quality standards . 2. Wuxi City Qiaobang Storage Equipment Co., Ltd.

- o Offers customizable high-strength stainless steel trays for complex installations.

- o Focuses on flexibility and durability, making them ideal for large-scale industrial and infrastructure projects . 3. ApexTray (Apex Cable Tray Systems Co., Ltd.)

- o Known for easy-to-install, high-quality stainless steel trays suitable for challenging environments.

- o Adheres to ISO 9001 and UL standards, ensuring reliability and compliance for global projects .

Key Considerations

- o Material Quality: Stainless steel trays from these manufacturers are corrosion-resistant, suitable for humid or coastal climates common in North Asia.

- o Customization: Many suppliers offer made-to-order solutions, including ladder, perforated, and wire mesh trays, to meet specific project requirements .

- o Certifications: ISO, UL, and NEMA certifications ensure compliance with international safety and quality standards .

- o Applications: These trays are widely used in power plants, IT/data centers, industrial facilities, and large construction projects .

Additional Options

Other reputable manufacturers in the region include Siltec, MP Husky, and US Tray, which provide stainless steel cable trays with modern designs and strong customer support . These companies are suitable for projects requiring high durability, flexibility, and adherence to international standards. Choosing a manufacturer from this list ensures high-quality, long-lasting stainless steel cable trays that meet both regional and global project requirements.
