

Article Overview

Leading South African cable tray manufacturers include Central Support Systems, Hutaib Electrical, Advanced Strut, The Cable Manager, and Cable Management Co., offering a wide range of cable trays and accessories for industrial and commercial applications.

Key Manufacturers and Suppliers

1. Central Support Systems Central Support Systems supplies a full range of cable support products, including cable ladders, perforated trays, wire baskets, and trunking. They cater to commercial, industrial, and SME electrical contractors, offering accessories like clamps, connectors, and fasteners. With branches in Johannesburg, Pretoria, Durban, Cape Town, and Namibia, they provide nationwide service and solutions for solar installations and other cable management needs . 2. Hutaib Electrical Hutaib Electrical is a prominent South African manufacturer and wholesaler of cable trays, including cable ladders, wire mesh trays, basket trays, perforated trays, and closed box trays. They also supply accessories such as bends, elbows, tees, and reducers. Hutaib offers customization and finishes like GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS-202/304/316), ensuring compliance with industrial standards . 3. Advanced Strut Based in Cape Town, Advanced Strut manufactures and supplies cable ladders, wire mesh trays, support channels, PVC and steel power skirting, and wire hanger systems. They serve commercial and industrial sectors across South Africa, providing solutions for electrical containment, data, plumbing, air conditioning, solar energy, and agriculture. Their wire mesh trays are designed to maximize airflow and reduce cable overheating . 4. The Cable Manager The Cable Manager offers a comprehensive range of cable trays, ladders, wiring channels, and trunking. They serve electrical contractors, construction companies, solar installers, and industrial facilities throughout South Africa, including major cities like Johannesburg, Pretoria, Durban, Cape Town, and Port Elizabeth. They emphasize competitive pricing, quality, and fast delivery . 5. Cable Management Co. Cable Management Co. specializes in cable management solutions for mining, heavy industrial, renewable energy, HVAC, and oil & gas sectors. They provide innovative cable tray solutions suitable for corrosive environments, water treatment plants, and heavy industrial installations, with expert advice for complex projects .

Summary

These manufacturers provide a wide variety of cable trays and accessories, including ladders, perforated trays, wire mesh trays, and trunking, with options for customization and bulk purchasing. They serve multiple industries across South Africa and neighboring regions, ensuring quality, compliance, and nationwide delivery. For wholesale inquiries, contacting these companies directly will provide pricing, product specifications, and tailored solutions for large-scale projects.
