South Asia Project Quotation CFP2SFP

Article Overview

The South Asia Project Quotation CFP2SFP likely relates to investment or procurement opportunities under the South Asia Growth Fund II, focusing on resource and energy efficiency projects in India and Bangladesh.

Project Overview

The South Asia Growth Fund II, L.P. (SAGF II) is a USD 150 million private equity fund registered in Canada, with a primary focus on resource and energy efficiency investments in India and potential investments in Bangladesh . The fund aims to generate long-term capital appreciation through equity and equity-linked investments in companies seeking growth and expansion along the resource efficiency supply chain. FMO, a Dutch development bank, has committed USD 15 million to the fund to support green investments aligned with Sustainable Development Goals 7 (Affordable and Clean Energy) and 8 (Decent Work and Economic Growth), .

ESG and Investment Criteria

SAGF II is categorized as medium-risk (B), and Environmental, Social, and Governance (ESG) considerations are integral to the investment process. The fund has a dedicated ESG team responsible for:

o Identifying ESG concerns and opportunities for each investment
o Working with technical consultants to design the scope of work
o Collaborating with company management to implement action plans
o Supporting capacity building and ESG compliance in investee companies

Quotation and Tender Opportunities

While specific details for CFP2SFP are not publicly listed, businesses and investors interested in South Asia projects can explore tender and procurement opportunities through platforms such as:

o TendersInfo: Aggregates government and private sector tenders across South Asia, including India, Bangladesh, Bhutan, Pakistan, Nepal, and Sri Lanka, with daily updates on RFPs, RFQs, and contracts .
o GlobalTenders: Provides access to international bid invitations, procurement contracts, and detailed analysis across sectors in South Asia . These platforms allow potential bidders to access tender documents, track deadlines, and submit quotations for projects funded by multilateral agencies like the World Bank, Asian Development Bank, and Asian Infrastructure Bank.

Participating Countries and Sectors

South Asia Project Quotation CFP2SFP

The South Asia region includes India, Bangladesh, Bhutan, Pakistan, Nepal, Sri Lanka, Afghanistan, and the Maldives. Key sectors for investment and procurement include:

o Resource and energy efficiency
o Information technology
o Textiles, iron, and steel
o Petrochemical and automobile manufacturing

How to Participate

To respond to a project quotation like CFP2SFP:
o Register on official tender platforms such as TendersInfo or GlobalTenders.
o Review the project scope and ESG requirements provided by the fund or tender issuer.
o Prepare a detailed proposal or quotation addressing technical, financial, and ESG compliance criteria.
o Submit the proposal before the specified deadline and follow up for any clarifications or updates. By following these steps, companies and investors can engage with South Asia projects under SAGF II or similar initiatives, ensuring compliance with both investment and ESG standards.
