

Article Overview

Wholesale OS2 optical fiber cables typically range from \$0.50 to \$2.50 per meter, depending on strand count, cable type, and supplier.

Price Overview

The wholesale price of OS2 fiber optic cables varies based on several factors:

- o Strand Count: Single-strand cables are cheaper, while 12, 24, or 144-strand cables cost more due to higher material usage .
- o Cable Type: Armored cables, which offer rodent resistance and higher crush protection, are more expensive than standard loose tube or tight-buffered cables .
- o Length: Bulk spools (e.g., 500 ft or 1 km) reduce the per-meter cost compared to shorter pre-terminated cables .
- o Supplier and Region: International suppliers on platforms like Alibaba offer competitive pricing, often lower than U.S.-based distributors, but shipping costs may apply .

Example Pricing

- o Armored 12-Strand OS2 Cable (500 ft): Around \$200-\$250 per spool, equating to roughly \$1.20-\$1.50 per meter .
- o Bulk Loose Tube OS2 Cable (6-144 strands): Prices on Alibaba range from \$0.50 to \$2.50 per meter depending on strand count and specifications .
- o Standard Singlemode OS2 Cables: Smaller quantities or non-armored cables can be as low as \$0.50-\$1.00 per meter from wholesale suppliers .

Additional Considerations

- o Compliance: Ensure the cable meets ITU-T G.652.D or G.657.A1 standards for singlemode OS2 fiber .
- o Applications: OS2 cables are suitable for long-distance singlemode transmission, including FTTH, LAN, CCTV, and telecommunication networks .
- o Bulk Discounts: Ordering larger quantities often reduces the per-meter cost, especially from international suppliers . For accurate pricing, it is recommended to request quotes from multiple suppliers and consider shipping, customs, and local taxes if importing. Suppliers like Alibaba, CableWholesale, and Warehouse Cables provide detailed specifications and bulk pricing options for OS2 fiber optic cables .

Wholesale Price Special Optical Cable OS2

Bulk fibre optic cable for internal and external installs. OS2, OM3, OM4 options, armoured and unarmoured. UK stock with next-day

Buy OS2/OS1 LC-LC Fiber Optic Patch Cable Single Mode Duplex - 50m (160ft) - 9/125 - LSZH - ipolex online at low price in India on
